A Copy of an order of Notice for a division of Greenwich

To the Honourable, the Senate, and the House of Representatives of the Commonwealth of Massachusetts in General Court assembled — The representation and petition of the Inhabitants of the South Parrish of Greenwich in the County of Hampshire and Commonwealth of Massachusetts, respectfully Sheweth that by the act of your Honourable Body passed at the June Session in the year of our Lord 1789 your Petitioners were incorporated for parochial purposes, that a part of your petitioners live in the Northerly part of the Town of Belchertown, and the residue in the South part of the Town of Greenwich. that the Parrish meeting House belonging to your petitioners is situated in the Southerly part of the said Town of Greenwich and very nearly in the Center of the territorial limits of the said Parrish — that your petitioners in feelings views, and interests are united, but that they labour under very great inconveniences in the exercise of their rights, as inhabitants of the two towns of Greenwich and Belchertown, that the assessment and collection of Taxes is rendered difficult and unpleasant by reason of the divided and double relationship that those of your petitioners who belong to the said Town of Greenwich are assessed by the said Town and are obliged to travil to the meeting-House in the North Parish of said Greenwich

at the distance of three miles from their own parish meeting House for the purpose of attending all Town meetings, and those of your petitioners who belong to the Town of Belchertown are obliged to travail to the meetinghouse in the Town of Belchertown at a great distance from their homes, for the purpose of attending all Town meetings within the said Town of Belchertown

that the Inhabitants of said Town of Greenwich including your petitioners within the Town of Belchertown are sufficiently numerous to constitute two distinct ~~Towns~~ incorporated Towns without injury or inconvenience to the Towns of Greenwich or Belchertown —— For the reasons aforesaid as well as for diverse other good reasons which your petitioners are ready to lay before your honors, they pray you to enquire into the premises, and to incorporate them together with all the polls and estates belonging and being within limits originally defined in the act aforesaid passed in June 1787 into a separate Town with all the privileges to which such incorporations are by Law and usage entitled and such incorporate name as to your honors shall seem meet — and as in duty bound will ever pray —— The inhabitants of the South Parish of Greenwich by their agent for that purpose duly authorized and appointed

May 13th 1813 Robert Field agent

Commonwealth of Massachusetts

In Senate June 16th 1813

On the Petition aforesaid Ordered that the Petitioners cause an attested copy of this Petition with this order thereon to be served upon the Town Clerks of the Towns of Greenwich & Belchertown thirty days at least before the second wednesday of the next session of the present General Court, that all persons interested may then appear and show cause (if any they have) why the prayer of said Petition should not be granted

To Edward Raymon Constable of the town of Greenwich — Greeting.

In the name of the Commonwealth of Massachusetts you are hereby required to notify & warn the male inhabitants of said Town who are qualified by law to vote for representatives to the general Court, to meet at the centre School house in said town on Monday the 7th day of May next at half the clock in the afternoon then & there to give in their votes for a representative to represent said Town at the next general court in this Commonwealth

& herein fail not but return this warrant & your doings thereon at or before the day of meeting

Given under our hands & seals at Greenwich this twenty fourth day of April A.D. 1827.

Eben Clarke Jr
W. P. Wing
Selectmen of Greenwich.

Hampshire ss.

In obedience of the within warrant I have notified & warned the male Inhabitants of the town of Greenwich to meet at the time & place & for the purpose within mentioned as the law directs.

Edward Raymon Const.
Greenwich

Greenwich April 14. 1827.

At a town meeting holden at Greenwich for the choice of a Representative as the Law directs, on Monday May 7th. the following votes were taken. Viz:

John Northam had 23 votes &
Eben Clarke Esq had 37. & was chosen

Attest N. L. Dowling Town Clerk.

1824 May 7th Adjourned Annual Meeting.

At an adjournment of the Annual meeting of the inhabitants of the town of Greenwich, held at the usual place of said town, on Monday the 7th day of May A.D. 1824, agreeable to vote, the following votes were severally passed viz.

1st Motioned & voted to raise $350. dollars for the support of schools.

2d Motioned & voted to raise two hundred thirty three dollars and thirty three & one third cents ($233,33) for the support of the Rev. Joseph Blodget.

3d Motioned & voted to raise three hundred ($300) Dollars for contingent expences the current year.

4th Motioned & voted that Saml Blackmore be as highway Surveyor in place of Deac Edward Haymore, exon.

5th Motioned & voted Abram Hay be field driver in the 1st. dist. of the Town.

6th Motioned and voted to deed the land upon the common north of the lot sold to Timothy Packard of Dorset, to Stephen Douglass, on condition that he remove his buildings off upon the grant of the same within (2) two years, provided however that he shall give to the town a good sufficient title to land for a road three (3) rods wide, extending from the common on the north side of said lot to the road leading to Mr. Rufus Bonds — also to choose a committee to carry the same into effect.

7th Voted that the selectmen, Laban Harris Esq. & Clark Powers and Warren Wing Esq. be said committee.

8th Voted that that part of the land on the common, lying east of the aforesaid Packard lot, with the exception of what is necessary for a road be deeded to Doct. Nathan Starkey on condition that he builds a good & handsome house on the same within two (2) years

9th Voted that the same select men be a committee to carry the vote into effect.

1827 May

10th Voted that the valuation of the town, be taken the present year, by the assessors setting up legal notifications at the publick places in town.

11th Voted that the Selectmen build a hearse & pleans house the present year

12. Motion'd & voted that the meeting stand adjourned until the first monday in Sept ensuing, to meet at 2 o clock P.M. at this place.

Attest Mb. Darling Town Clerk.

2 Sept. 3d 1827. Met agreable to the above adjournment. & Voted to Dissolve the Meeting.

Attest M.b. Darling Town Clerk

Memorandum of Agreement Made & Between
Silas Sias and Abel Lorenzo Dakin on the one part
and James Hawks, John D Norris & Luther B Fuller on
the Selectmen of Greenwich on the other part all of the
Town of Greenwich County of Hampshire and
Commonwealth of Massachusetts Made & Concluded
this Eighteenth day of June A D 1854

It is Covenanted by the parties of the first part for the same hereinafter mentioned
doth agreed and doth by these presents covenant and agree
to Construct build and finish a certain piece of Town Road
which has been laid out and Excepted by said Town over the
premises and in accordance with the order and direction
hereinafter set forth

to Wit: Beginning at a Stake & Stones
in the Centre of the old Road nearly opposite the South west
Corner of Location Town House in said Greenwich and running
five, thence continued Road & Land of said Town South 68½° East
four rods, thence over said Cornland South 55° East 2 Rods 11 Links to a
stone, thence South 75° East one Rod 22 Links thence North 86½° East one Rod
11 Links thence North 72° East 1 Rods 4 Links thence North 68½° East
1 Rod 7 Links thence North 44½° East 1 Rods 4 Links thence North 82½°
East 1 Rods 13 Links thence North 44° East 1 Rods 13 Links thence South 88½° East
1 Rods 6 Links thence South 78° East 1 Rods 1 Link thence South 84½° East
1 Rod 21 Links thence East 2 Rods 6 Links thence South 60½° East
2 Rods 2 Links thence South 74° East 2 Rods 16 Links thence South 9½°
4 Rods 10 Links thence South 8½° East 5 Rods 23 Links to a point 14 feet
westerly from a Stone Monument standing in an angle of the line
between the premises of Hartwell and to said line being at Stake No 2
a Stake being driven at every angle with one intermediate Stake
between the angles and numbered with Corresponding Stakes
on the West side of the same representing the said location the
whole location from Stake No 2 being four rods over land of said Town
the first mentioned Stake to be set to the Centre of the Travelled part
of said location and the parties of the first part agree to work make
and Complete said road in the most faithful & workmanlike manner
as follows—To Wit) said road must be plowed where ploughing is
practicable & Cleared of all stones Stumps & Roots—The top soil
where it is unsuitable or materials for said road must
be removed out of the Travelled Way or may be used in embankments
& it to be so placed as not to be within twelve inches of the Surface
of the road when finished where the materials within the Travelled
part of the road are unsuitable for making a hard and durable road
and the subsoil under the same is of a clayey or loamy character, a
top Covering of at least Eighteen inches of gravel or stone of
good quality must be put over the whole width of sixteen
feet for the Travelled part of the road said road must be
judiciously Crowned from the Exterior of the sides of the Travelled
part thereof to the Centre line thereof and the Travelled
part thereof must be worked to the width of sixteen feet & ditches
of the sides slope and side lines so that Culverts, and drains, may
pass under said road each and every part of the sixteen feet

Aforesaid, the said Travelled part of the Sixteen feet aforesaid
the said Modelled part of the road must be marked parallel
with its location without any regard to additional width
laid out for materials in constructing said road except mere
ly in places which must be judiciously rounded so as to make
its turnings as gradual and easy as practicable, in prof.
the road Care must be used to avoid unnecessary undulations
and in no instance will an angle of ascent or descent in the
direction of the road be allowed greater than is hereinafter mentioned — The Side Ditches, where they are required
must be made with their slopes entirely without the Travelled
part of the road of sixteen feet, And must not be less than
eighteen inches wide at the bottom and six inches deep below
the base or chord line of the arcion of the road and the slope
on the interior or road side must not have an angle of greater
magnitude than that which deviates from a horizontal line or two feet
slope to one foot rise, the same must be made parallel with the centre
line of the travelled part of the road without unnecessary
curvations in their direction, and must gradually descend both
in smooth form bottom in the direction of the road towards the
point of discharge, in such a manner that no water can per-
manently stand by the road side, on the sides of hills, where
the road is made partly by Embankment and partly by
Excavations. the road must be crowned in manner before
mentioned, from the edge of the interior slope of the ditch on
the uphill side to the centre and from thence to the Exterior or
down hill side must be made with one half the crown as
nearly level — all sides of Excavations must be made at
an angle of not more than 45 degrees, and all sides of Embank
ments — if made of Earth must Excell thirty degrees from a
horizontal line or two feet slope to one foot rise and road must
be firmly and substantially walled where neither is necessary
and must consist of straight sound poles not less in any
part than six inches in diameter, and be secured perpend
icular to each other from centre to centre all crossings or joinings of said walling must
be made on the summit or top some one of the stone supports
aforesaid by chambering the joinings ends of each of said poles
at least one foot in length in such a manner that compound
faces will fit and lie closed together with the iron bolt aforesaid
passing directly through the centre of said joinings or splicings
in all places where it is necessary to have walling the road is
constructed with Earth slopes must be worked sufficiently wide
to allow the stones which support said walling to be firmly and
permanently placed on the top of the Embankment with the
Exterior or outside thereof not less than Eighteen inches within
the top of the slope of the Embankment without in any manner
obstructing or interfering with said Sixteen feet for the
Travelled part of the road when the sides of Embankments
are secured by said Stone walls instead of the earth slopes
the same must be worked to no greater width than 20 feet on the

for sake of the Embankments not to form a pond of water in the ravine and the sixteen feet clear of all obstructions for the travelled part of the road as aforesaid - all Bridges or Sluiceways must be built of substantial well laid Stone Abutments and Crossed with the same material with a top covering of not less than twelve inches of good gravel with a convex of the road of eight inches in addition - all bridges must be built twenty feet Long and measured at right angles with the road, and properly & substantially filled to the width of sixteen feet between the railings Clear of all obstructions and bridges or Sluiceways to be put at the points and Courses pointed out & as hereinafter named to wit - one midway between Stake No 4 and 5 two feet wide and two feet deep one between Stake No 7 & 8 Two feet wide by one foot deep one at Stake No 12 Two and one half feet wide by two feet deep one at Stake No 18 Two feet wide by 18 inches deep - one between Stake No 19 and 20 Two feet wide by 18 inches deep all to be measured in the Clear

In grading the road aforesaid Core must be used in front of any dwelling house where an Excavations is required to Leave the side hand there of near the house in the best manner by sloping the same back so as to cause the least possible injury to the holder in the appurtenances thereto. And it is further agreed by the parties of the first part that the grading of said road be so worked as not in any place to exceed the angle of ascent from a horizontal Line hereafter mentioned - the grade pins are all placed in the centre of the travelled part of the way and will show down to or at the surface of the Earth and the Summits or tops of said pins at the points of Measurement for ascertaining the amount of Excavation or Embankment, the Summits or tops of these pins that are at grade in connection with the line of inclination represents the base of the travelled part of the road and the Crowing of twelve inches herein required is to all intents to be considered as placed on the Top or Summits of said pins and below the admeasurements given in feet and the decimal parts of a foot and the grading is to follow a point Commencement at pin No1 near the house of Jonathan Weir on the Centre of the old road which is at grade to a point 1,40 ft under the ground at pin No2 the inclination is 5½ ascending Pin No1 is at grade pin No2 Excavate 2,30 ft at Pin No3 Excavate 2,25 ft at Pin No4 Excavate 3,25 ft at Pin No5 Excavate 1,40 ft at Pin No6 Excavate 1,40 ft at Pin No7 Embankment 1,20 ft at Pin No8 Embankment 0,8 at Pin No9 Excavate 1,40 ft from Pin No9 at a point 1,40 ft under the ground at a point 2,50 ft vertical in the air at pin No 20 on the Sounding the inclination is 5½ ascending at Pin No10 Embankment 2,07 ft at Pin No11 Embankment 1,41 ft at Pin No12 Embankment 3,30 ft at Pin No13 Embank 2,35 ft at Pin No16 Excavate 1,57 ft at pin No17. Excavate 0,71 ft at Pin No18 Excavate 0,25 ft at Pin No19 Embank 1,50 ft at Pin No 20 at pin No1 of the Hardwick Line Embank 2,50 ft

And it is further agreed by the party of the first part to work the travelled part of the road as aforesaid

Commencing at pin No 18 gradually diverging its width from
one to pin No 20 or the town line so that the same shall
be at said pin No 20 Seventeen feet in width for the Travelled
part thereof or correspond with the road that unites with
it the aforesaid pin No 20

And it is further agreed by
party of the first part Entered into by the party of the second part
is a special repair upon the old Road to grade the said road
commencing at the aforesaid pin No 18 to a point west
on Brook in the center of the Travelled part of said old Road
so that the inclination shall be uniform and without undula-
tions and to be worked corresponding in width, convex Sect
ions ditches & Ditches, with aforesaid new Road

by the party of the first part to the whole of said new road
and the aforesaid special repair on the old road to be done
in accordance with this agreement and so that Landlords
continue over the same in Safe & Easy with new culv
verts Bridges Crossings & Inclination as before the first day
of October next

And the party of the second part
for and in behalf of the inhabitants of [illegible]
Covenant & endeavor to pay to the party of the first part
on the Completion of said Road in conformity with this
agreement three dollars per Rod for Each and every Rod in
Length of said New Road and Special repair on the old
Road as before described

In the presence and performance of all
the parts of this agreement the parties above said
have set their hands & Seals the day & year first above
